Dear Mr. Wilson:

The attached application for patent term extension of U.S. Patent No. 4,746,680 was filed on January 20, 1998, under 35 U.S.C. § 156.

The assistance of your Office is requested in confirming that the product identified in the application, MERIDIA® (sibutramine HCl monohydrate), has been subject to a regulatory review period within the meaning of 35 U.S.C. § 156(g) before its first commercial marketing or use and that the application for patent term extension was filed within the sixty-day period after the product was approved.
